Project Name	Project - IoT Based Safety Gadget For Child Safety Monitoring and Notification

Create IBM Watson IoT Platform And Device

The screenshot displays the IBM Cloud dashboard interface. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and links for 'Catalog', 'Manage', and 'Manikandan R's Account'. Below the navigation bar, the main content area is titled 'Dashboard' and includes a 'Create resource' button. The dashboard is divided into several sections:

- For you:** A horizontal carousel of cards providing quick access to various services:
 - Build:** Explore IBM Cloud with this selection of easy starter tutorials and services.
 - Explore IBM Cloud Shell:** Try a command-driven approach for creating, developing, and deploying a web project. (Getting started, 2 min)
 - Use Cloud Foundry:** Deploy and run your applications without managing servers or clusters with IBM Cloud Foundry. (Recommended, 10 min)
 - Visit the IBM Cloud catalog:** Explore our unique product catalog that contains 190+ services and software for your business solutions. (Getting started, 1 min)
 - Create and deploy an application:** Browse our starter kits, and then select one to jump start the process to create and deploy your app. (Getting started, 5 min)
 - Set up your IBM Cloud account:** Learn how to set up your IBM Cloud account, manage your account settings, organize resources, and control access to those resources. (Getting started, 10 min)
 - Get Started with W Studio:** Get started with W Studio and Cloud Object Storage in 15 minutes. (Popular)
- News:** A section with links to recent news items, including 'Unified Key Orchestrator Now Supports Easy Multicloud Key Management for Google KMS', 'TrustRadius Best Software: Five IBM Offerings to Make the List', 'Announcing IBM Cloud Pak for Network Automation Version 2.4', and 'No Prerequisites for IBM Cloud Certifications'. (View all)
- Recent support cases:** A section for viewing recent support cases. (View all)
- Planned maintenance:** A section for viewing planned maintenance events. (View all)
- IBM Cloud status:** A section showing the global status of IBM Cloud services, represented by a world map. (View all)

The landing page features a dark blue background with a central white text 'Assets'. To the left of the text, the phrase 'Collect data from' is positioned above a network diagram that includes icons for a cloud, a factory, and an airplane. To the right, the phrase 'and make value from it' is positioned above a network diagram that includes icons for a person, a smartphone, and a server. At the bottom center, there is a 'Learn More' link with a downward-pointing chevron. In the bottom right corner, there is a 'Cookie Preferences' button. The top of the page has a dark blue header with the 'IBM Watson IoT Platform' logo and a 'Sign in' button.
